

Bosch ID Logout & Personal ID Creation

Please follow step 1 to 5 below to log out from your current generic Bosch ID account and to create a new personal Bosch ID:

Step 1: Press 'Log out' in the home screen of the EasyControl app

- Open the EasyControl app and go to the home screen
- Open the Quick Menu (top left corner)
- Press 'Log out' in the bottom left corner:

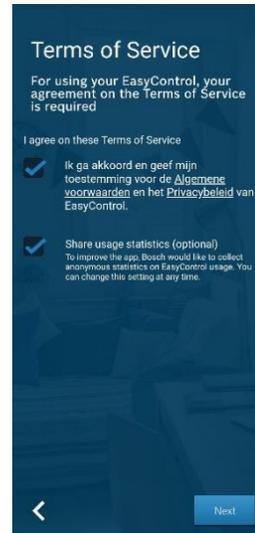

Step 2: Follow the steps in the app until you reach the 'Bosch Login' page

- Press 'Start' in the Welcome screen:

- Agree on the Terms of Service and press 'Next':

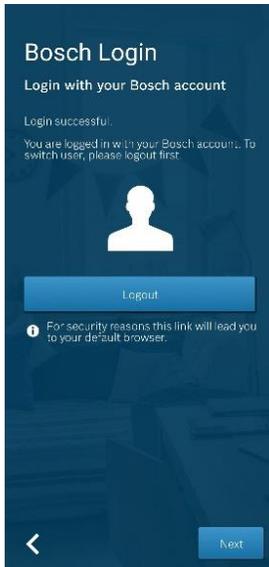

- Press 'Next' on the Check EasyControl screen:

Step 3: Log out from your current Bosch ID

- When you reach the Bosch Login page press 'Logout':

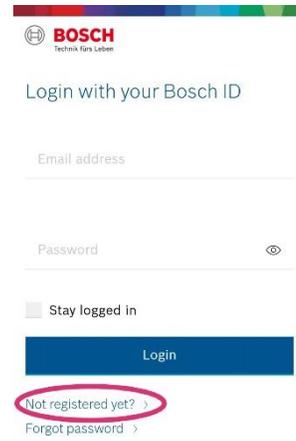

- Wait a moment until you are logged out and press 'Proceed to your Bosch account':

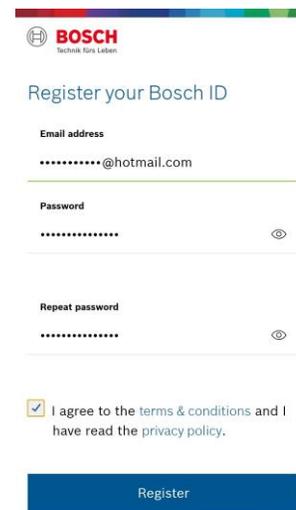

Step 4: Create a new Bosch ID

- Press 'Not registered yet' to start the registration process:

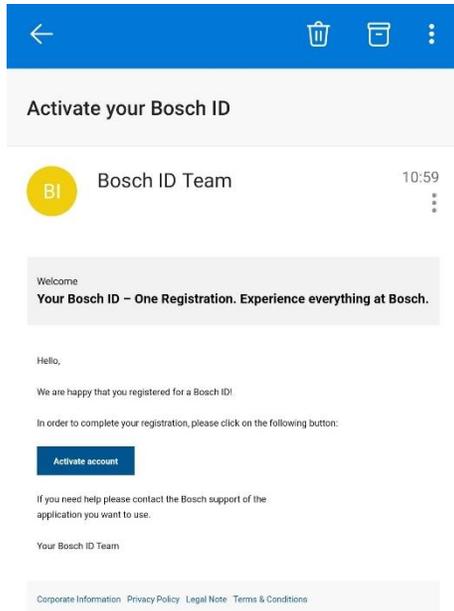

- Fill in your preferred email address and password, agree with the terms & conditions and press 'Register':

- You will now receive an email to activate your new personal Bosch ID

Step 5: Activate your new personal Bosch ID and log in with your credentials

- Activate your new personal Bosch ID account through the received email:

- Log in with your new personal Bosch ID inside the EasyControl app

The registration process is now complete!
